**Workshop**

# The Manifold Senses of Presence

**Heidelberg, 19/10/2021**

We are pleased to announce that this year's DGAP-Workshop on the topic "The Manifold Senses of Presence" will take place as planned as a hybrid event in Heidelberg.

**Program**

| | |
|---|---|
| 9-9.10: | Welcome and brief introduction |
| 9.10-10.00: | Dr. des. Sonja Deppe: *Präsenz und Kontinuität* |
| 10.00-10.50: | Veronica Iubei: *Presence as Ethos or Pathos? A seemingly irresolvable antithesis* |
| 10.50-11.10: | Coffee break |
| 11.10-12.00: | Aleš Oblak: *Empirical Phenomenology of Perceptual Presence in Relation to Lived Space* |
| 12.00-12.50: | Niklas Noe-Steinmüller: *Presence and the Phenomenology of Suffering* |
| 12.50-14.20: | Lunch break |
| 14.20-15.10: | Ira Pronk: *Facing Ambiguity: An enactive account of the multivocal nature of human subjectivity and its relevance for psychiatry* |
| 15.10-16.00: | Monika Knack: *Gefangen im Spiegellabyrinth – Eine phänomenologische Analyse von Halluzinationen bei Personen mit Schizophrenie* |
| 16.00-16.20: | Coffee break |
| 16.20-17.10: | Judith Sieber: *Meaningful Encounters in Medicine* |
| 17.10-18.00: | Dr. Hiroko Taguchi: *Exploring Therapeutic Empathic Presence through the "Now-Moment"* (online) |
| Afterwards: | Dinner |

**Organizational information:**

**Venue**: Hospital for General Psychiatry Heidelberg, “Hospital Bergheim”, Ground floor, Room 118, Voßstraße 9/Thibautstraße 6, 69115 Heidelberg.

**Date/Time:** 19/10/2021; 9am-6pm.

**COVID-19 restrictions**: It is required for participants to comply with the “3G-rule” and to wear FFP2-masks in the hospital and the seminar room where the workshop takes place.

**Registration:** Please write to Daniel.Vespermann@med.uni-heidelberg.de to register and to receive the **Zoom-link**.

We look forward to an enriching exchange – if possible in bodily presence!

Prof. Dr. Dr. Thomas Fuchs, Daniel Vespermann and Monika Knack
