**Course director** 

Led development of modular curriculum structure and integration with European Master program "TropEd". Taught multiple courses/lectures. Supervised 40+ M.Sc. students.

The course covers the field of public health viewed from an international angle. It is built in a modular way: a base module of 20 ECTS is compulsory for all, thereafter the course splits in 2 tracks:

- 1) European track (within the TropEd network of 29 European Universities): exchange of at least 15 ECTS of mutually accredited courses with a European partner university, M.Sc. (20 ECTS) at Heidelberg University
- 2) **Heidelberg track** this allows the student to take the entire course at Heidelberg University. 20 ECTS points of short two weeks teaching module can be picked from a menu of currently 11 courses.

Students in both tracks need to write a dissertation (20 ECTS). The marginal costs of the course are covered by tuition  $(16k \ell/y)$ 

#### 2002-M.Sc. of Health Economics - course director 2004 **HEIDELBERG UNIVERSITY and HANOI NATIONAL ECONOMICS** UNIVERSITY

### Developed and taught 20% of new course
