6th Yearly Meeting

Nov 22nd, 2025

08:00 Peru

09:00 Bolivia

10:00 Argentina and Chile

13:00 UK

14:00 France, Germany, Norway and Spain

1. Welcome Address (10 min)

Prof. Ricardo Armisen

Universidad del Desarrollo

2. Achievements in the 6th year (30 min)

Prof Justo Lorenzo Bermejo

Project Coordinator & Principal Investigator

3. Current research I (60 min)

- Dr. Einar Elvbakken Birkeland: Population specificity in the heritability of serum sRNA expression
- Santiago Sepulveda: Functional validation of miRNA expression in GBC cell lines and organoids
- Valentina Garate: Geographic and genetic diversity in GBC mutation profiles
- Dr Jose Erices: Precision GBC oncology

4. Current research II (60 min)

- Constanza Gonzalez: Cancer after cholecystectomy
- Ignacio Maureira: Mendelian randomization analyses on DNA-methylation and GBC
- Paulina Cubillos: Metabolites, Nutrition and GBC
- Gina Merino: Equity in access to prevention and early diagnosis of GBC
- Q&A

5. Periodic Report & External Review (10 min)

Dr. Dominique Scherer

European Project Manager – EULAT Eradicate GBC

6. Next steps and open discussion (60 min)

This project has received funding from the European Union's Horizon2020 research and innovation programme under grant agreement N° 825741, funded action **Establishment and Exploitation of a European-Latin American Research Consortium towards Eradication of Preventable Gallbladder Cancer (EULAT Eradicate GBC)**
