

# Adaptive Designs and Multiple Testing Procedures

## Workshop July 5-6, 2012 in Heidelberg

The Institute of Medical Biometry and Informatics (IMBI) of the University of Heidelberg is looking forward to organizing the next annual workshop of the joint working group "Adaptive Designs and Multiple Testing Procedures" of the German (DR) and the Austrian-Swiss (ROes) Region of the International Biometric Society (IBS).

The workshop will take place at the Internationales Wissenschaftsforum Heidelberg (IWF) on July 5-6, 2012. There will be no registration fee.

### Call for Papers

Both academics and practitioners are encouraged to participate. To register for an oral presentation, please submit an abstract (200–400 words in English) until **30 April 2012** by using the submission form on the workshop website where further information on the event is available ([www.biometrie.uni-heidelberg.de/workshop](http://www.biometrie.uni-heidelberg.de/workshop)).

We are looking forward to welcoming you to the University of Heidelberg!

Local Organizing Committee:

Meinhard Kieser, Kathrin Stucke, Stefan Englert, Alexander Kurz
