Welcome address

Dear Colleagues,

The EBMT is very happy to announce the upcoming **11th Educational Course of the Lymphoma Working Party on "Treatment of Malignant Lymphoma: State-of-the-Art and Role of Stem Cell Transplantation"**. The course will be held in Heidelberg (Germany) from 24th to 26th September 2015.

For the last 11 years, the Course has become a very productive and effective forum to gather young researchers and transplantation fellows with experienced international experts in lymphoma and transplantation. Travel grants from outreach countries and case report presenters will be available, as with previous editions of the course.

The **Business Meeting of the Lymphoma Working Party** will also be held in Heidelberg on 24th September. You are cordially invited to join the LWP meeting and share your expertise for designing new studies and helping to re-evaluate ongoing scientific projects in the lymphoma transplant field.

We are looking forward to meeting you in Heidelberg.

Kind regards,

Peter Dreger, Chair of the LWP and local organiser
Anna Sureda, Chair of the Ed Subcommittee of the LWP

Getting to Heidelberg

The central location of Heidelberg makes travelling easy with all modes of transport.

RAIL

Heidelberg is well connected to the European long distance network, as well as the Deutsche Bahn (German Rail's) ICE and IC/EC (high speed) network including international connections to Amsterdam, Brussels, and Paris (www.bahn.de).

Within the region and across its borders, too, the Rhine-Neckar Transport Association ensures the best connections with the S-Bahn (town/city center and suburban rail) (www.vrn.de).

AIRPORTS

[Frankfurt International Airport](#) (FRA; ca. 80km) with direct high-speed train connection from within the airport (ca. 60min), [City Airport Mannheim](#) (approx. 18km), [Baden-Airpark or Karlsruhe/Baden-Baden Airport](#) (approx. 90km), [Stuttgart Airport](#) (approx. 120km), [Frankfurt Hahn Airport](#) (approx. 150km).

Venue

The course will be held at the [IWH](#) (**Internationales Wissenschaftsforum Heidelberg**). The IWH is a centre for scholarly exchange in all areas of science and was established on the occasion of the 600th anniversary of Heidelberg University in 1986.

Since then it has been sponsored by Heidelberg University and is open for scientific conferences or workshops organized by university staff. It is located in the heart of the old town, providing opportunities for discussion of science objectives and cruise logistics in an informal setting.

Coffee breaks as well as lunch will take place in the dining room next to the meeting facilities or alternatively in the garden (pending on weather forecast).

Entrance is by 242 Hauptstrasse, Heidelberg

Accommodation

The EBMT has reached an agreement with the following hotel, within walking distance from the IWH:

[Kulturbrauerei Hotel](#)

A limited number of rooms will be available to participants at the price of €112 per standard room/night, excluding breakfast. These rooms can be booked on a first-come, first-served basis. In order to book your room please contact info@heidelberger-kulturbrauerei.de and quote 'EBMT Participant' to access the special rate.
