

Saturday, February 18<sup>th</sup>, 2017

**Open vs. Robotic Cystectomy and Urinary Diversion**

Chair: M. Fisch, R. Gaston, R. Hautmann, V. Pansadoro

9:00	<b>Open vs. Robotic cystectomy, Part 1</b> Inderbir S. Gill, George Thalman
9:30	<b>Open vs. Robotic cystectomy, Part 2</b> Bernard Bochner, Peter Wiklund
10:00	<b>Discussion</b>
10:30	Coffee break and exhibition

**Radical Prostatectomy**

Chair: M. Desai, I. Gill, G. Thalmann, P. Walsh

11:00	<b>Open radical prostatectomy</b> · Martin Gleave
11:30	<b>Retzius-sparing approach for robotic radical prostatectomy</b> Aldo Bocciardi
12:00	<b>Robot-assisted radical prostatectomy</b> · Ashutosh Tewari
12:30	<b>Robot-assisted salvage prostatectomy</b> · Markus Hohenfellner

**Faculty**

Peter Albers, Aldo Bocciardi, Bernard H. Bochner, Dittmar Böckler, Alberto Breda, Markus Büchler, Ralph Clayman, Prokar Dasgupta, Mihir Desai, Mahesh Desai, Michael Droller, Margit Fisch, Richard Gaston, Mohamed Ghoneim, Christian Gilfrich, Inderbir S. Gill, Martin Gleave, Marc-Oliver Grimm, Axel Haferkamp, Richard Hautmann, Thomas Herrmann, Markus Hohenfellner, Hedvig Hricak, Pilar Laguna, Karin Lehrich, Alex Mottrie, Anthony Mundy, Sascha Pahernik, Vito Pansadoro, Jesco Pfitzenmaier, Jens Rassweiler, Jean de la Rosette, Richard A. Santucci, Fritz H. Schröder, Walter Stackl, Arnulf Stenzl, Cora Sternberg, Jens-Uwe Stolzenburg, Dogu Teber, Ashutosh Tewari, George Thalmann, Olivier Traxer, Levent Türkeri, Patrick Walsh, Peter Wiklund, Xu Zhang.

**Patrons**

The conference is supported by

**Venue**

Neue Aula  
University of Heidelberg  
Grabengasse 3–5, 69117 Heidelberg, Germany

**Registration**

You can either register online: [www.semi-live2017.com](http://www.semi-live2017.com)  
or by fax: +49 (0)611 204809-10

Conference fee: EUR 480,-

Registration includes:

- Admission to the scientific sessions
- Conference material
- Coffee breaks
- Social event at the »Kulturbrauerei«

**CME**

The program has been submitted to the EACCME for accreditation of Continuing Medical Education (CME).

## Dear Colleagues,

We cordially invite you to the Semi-Live symposium from February 16<sup>th</sup> to 18<sup>th</sup>, 2017. For the second time, the beautiful site of Heidelberg welcomes some of the internationally most renowned and experienced experts to present anatomical landmarks and access strategies, important steps, tricks, pitfalls and complication management in urologic surgery. Semi-Live will, therefore, grant you access to the smallest, yet so important details of state-of-the-art urologic interventions.

### Semi-Live 2017

- focuses on contemporary urologic procedures for complex and standard endourology, laparoscopy, open and robotics in urology, including breaking news from the ASCO-GU 2017.
- brings together a faculty of international surgeons with highest state-of-the-art experience. Additionally, a heritage session will review the outstanding development in urologic surgery by some of its finest contributors.
- offers HD format presented and narrated to foster a lively and descriptive discussion with the audience.
- provides hands-on-training at half-day workshops in immuno-oncology, laparoscopic urology, MRI/TRUS-fusion biopsy and MRI-guided TULSA on February 15<sup>th</sup>.

We are very much looking forward to welcoming you to Heidelberg.

Best regards on behalf of the organizing committee,

Gencay Hatiboglu  
Dogu Teber

Markus Hohenfellner  
Carine Pecqueux

Department of Urology,  
University Hospital Heidelberg

## Workshops

### Wednesday, February 15<sup>th</sup>, 2017

Semi-Live workshops combine a brief theoretical introduction with intensive hands-on-training sessions and case discussions, guided by skilled experts.

#### Workshop 1: Laparoscopic Urology

- Partial nephrectomy, zero ischemia technique, different suturing techniques (V-Loc vs. Hem-o-Lok technique)
- Application of ischemia (bulldog clamp vs. tourniquet)
- Laparoscopic pyeloplasty
- Laparoscopic Boari flap/Psoas hitch
- Laparoscopic vessel approach and complication management

#### Workshop 2: Immuno-oncologic Therapies for Advanced Urological Cancers

- Current guidelines for metastatic urologic cancers
- Checkpoint inhibition – concepts and mode of action
- Treatment duration, treatment goals and response patterns
- Interpretation of imaging, RECIST 1.1 vs irRECIST
- Clinical actions in the use of checkpoint inhibitors

#### Workshop 3: Image-guided navigated stereotactic prostate biopsy utilizing real-time MRI/TRUS-fusion

- Multiparametric MRI and standardized interpretation of imaging (PI-RADS)
- MRI/TRUS-fusion biopsy technique
- Targeted prostate biopsy

#### Workshop 4: MRI-Guided Transurethral Ultrasound Ablation (TULSA) for Prostate Cancer

- TULSA: Rationale, principles and clinical data
- Software simulation of clinical cases: Treatment planning and real-time MRI monitoring
- Procedural demonstration in the MRI suite
- The future of MRI in the Urological Prostate Cancer Clinic

This workshop will combine classroom-style presentations, software simulation and hands-on procedure demonstration in the MRI suite.

## Conference Program

### Thursday, February 16<sup>th</sup>, 2017

9:30	Welcome
	<b>Kidney</b> Chair: R. Clayman, J. Rassweiler, J. de la Rosette
9:45	<b>Meticulous anatomic nephrectomy</b> · Alberto Breda
10:15	<b>Modes of percutaneous access to the collecting system</b> · Mahesh Desai
10:45	<b>Transureteral access to the collecting system</b> · Olivier Traxer
11:15	<b>Endoscopic PCNL: Seeing is relieving</b> · Ralph Clayman
11:45	Lunch break and exhibition
	<b>Prostate/BPH</b> Chair: P. Albers, C. Gilfrich, S. Pahernik, A. Stenzl
12:45	<b>TURP-P (bi-polar) transurethral resection</b> · Jean de la Rosette
13:15	<b>From HoLEP to endoscopic enucleation of the prostate (EEP): A long way to anatomical enucleation</b> · Thomas Herrmann
13:45	<b>Robot-assisted transvesical adenoma enucleation</b> · Mihir Desai
14:15	<b>Holmium-Laserenucleation</b> · Karin Lehrich
14:45	Coffee break and exhibition

#### Retroperitoneal/Pelvic Surgery

	Chair: M. Desai, I. Gill, A. Haferkamp, L. Türkeri
15:15	<b>Robot-assisted laparoscopic inferior Vena Cava thrombectomy: Techniques and challenges</b> · Xu Zhang
15:45	<b>Robot-assisted partial nephrectomy in case of large renal cell carcinoma in a horseshoe kidney</b> · Jens-Uwe Stolzenburg
16:15	<b>Focal therapy of kidney tumors</b> · Pilar Laguna
16:45	<b>Salvage lymphadenectomy in prostate cancer</b> · Vito Pansadoro
17:15	<b>Postchemotherapy lymph node dissection in testis cancer (PC-LND)</b> · Peter Albers

### Friday, February 17<sup>th</sup>, 2017

#### Reconstructive Surgery I

Chair: M. Desai, A. Mundy, R. Santucci, X. Zhang

9:00	<b>Robot-assisted laparoscopic ureteroneocystostomy</b> · Jens Rassweiler
9:30	<b>Robot-assisted laparoscopic sacrocolpopexy</b> · Richard Gaston
10:00	<b>Bulbar urethral strictures: Indications and technique for buccal mucosa onlay urethroplasty</b> · Margit Fisch
10:30	<b>Adult buried penis repair</b> · Richard Santucci
11:00	Coffee break and exhibition

#### Reconstructive Surgery II

Chair: M. Büchler, J. Pfitzenmaier, W. Stackl, D. Teber

11:30	<b>Urinary diversion/conversion in a complex oncological situation</b> · Arnulf Stenzl
12:00	<b>Emergency vascular repair</b> · Dittmar Böckler
12:30	<b>Intestinal anastomosis in fast track surgery: Ileal and colonic</b> · Markus Büchler
13:00	Lunch break and exhibition

#### State-of-the-art Lecture

14:00	<b>Imaging in urologic oncology: The next frontier</b> · Hedvig Hricak
-------	--

#### Heritage Session

14:30	<b>More than 200 years of excellent and cumulative experience: Do's and Don'ts in urologic surgery. Reflections of some of the greatest personalities in our speciality</b> · organized by Richard Hautmann, with Ralph Clayman, Mohamed Ghoneim, Anthony Mundy, Fritz Schröder, Patrick Walsh
17:00	Coffee break and exhibition

#### Editor's Choice: Great Trades of Surgical Experience

Chair: A. Breda, M. Hohenfellner, H. Hricak, P. Walsh

17:30	<b>State-of-the-art - Communicating surgical skills</b> · Michael Droller
17:45	<b>Best of Surgery In Motion (European Urology)</b> · Alex Mottrie
18:15	<b>Best of Step-by-Step (BJU International)</b> · Prokar Dasgupta
18:45	<b>Best of Semi-Live</b> · Markus Hohenfellner
