

Workshop

“Loss of Trust Between Detachment and Dissociation: Phenomenology, Social Adversity, and Psychopathology”

Venue: Karl Jaspers Library of the Center for Psychosocial Medicine, Department of General Psychiatry, Building 1, Top Floor, Voßstraße 4, 69115 Heidelberg

When you enter the building, you will see the staircase to the Jaspers Library right in front of you. The Jaspers Library is located on the top floor directly opposite the staircase. An elevator to the top floor is available when you turn left at the reception desk. (If you take the elevator, please turn left after exiting the elevator on the top floor, and you will see the Jaspers Library a few meters down on your right.)
